

Snowy Range Academy
Elementary Teacher
Job Description

Job Classification: Certified

Primary Function: This instructional position is responsible for the educational leadership of students in a rigorous charter school; expected to understand and demonstrate use of the school's curriculum, student instruction, and assessment to maximize educational achievement for all students; work collaboratively to ensure effective working and learning climate for all students

Characteristic Duties and Responsibilities:

SRA Elementary Teacher:

- Instructs students in all aspects of the grade level curriculum in accordance with the Core Knowledge curriculum, Wyoming State Standards, and SRA's philosophy
- Plans and conducts activities for a balanced and rigorous program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate in accordance with SRA's instructional philosophy
- Uses assessment and collaboration to refine curriculum and instructional practices
- Communicates effectively with colleagues, parents, students, and other stakeholders
- Prepares, administers, and grade assessments, reports, and other assignments in order to evaluate student progress
- Manages student behavior in an effective manner in accordance with Board policy and the school's behavior management program.
- Complies with the rules, regulations, and policies of the school and District.
- Participates in professional growth and collaboration, such as professional organizations, professional development training, coursework, workshops, conferences, and other professional activities, such as school committees.
- Demonstrates professional responsibility, such as demonstrating ethical behavior; providing accurate data and reports to the school when needed; meeting deadlines; maintaining confidentiality.
- Caring for the equipment, textbooks, other materials in the classroom, and dressing appropriately and presenting a good role model.

Skills, Knowledge, and Abilities Required: Candidates must demonstrate the knowledge and ability to implement grade level curriculum as described in Board policy; working knowledge of the school's curricula; ability to manage instructional resources; ability to effectively communicate and manage time; strong organizational skills; ability to maintain positive relationships with other staff by collaborating and working cooperatively with others; ability to maintain positive relationships with children.

Entry Qualifications: Bachelor's Degree; certification from the Wyoming Professional Teaching Standards Board with endorsement as a K-5 Elementary teacher.

To Apply: Applications will only be accepted through the school website,
